# WINDOWS VISTA HOME BASIC MUSIC EXPLORER

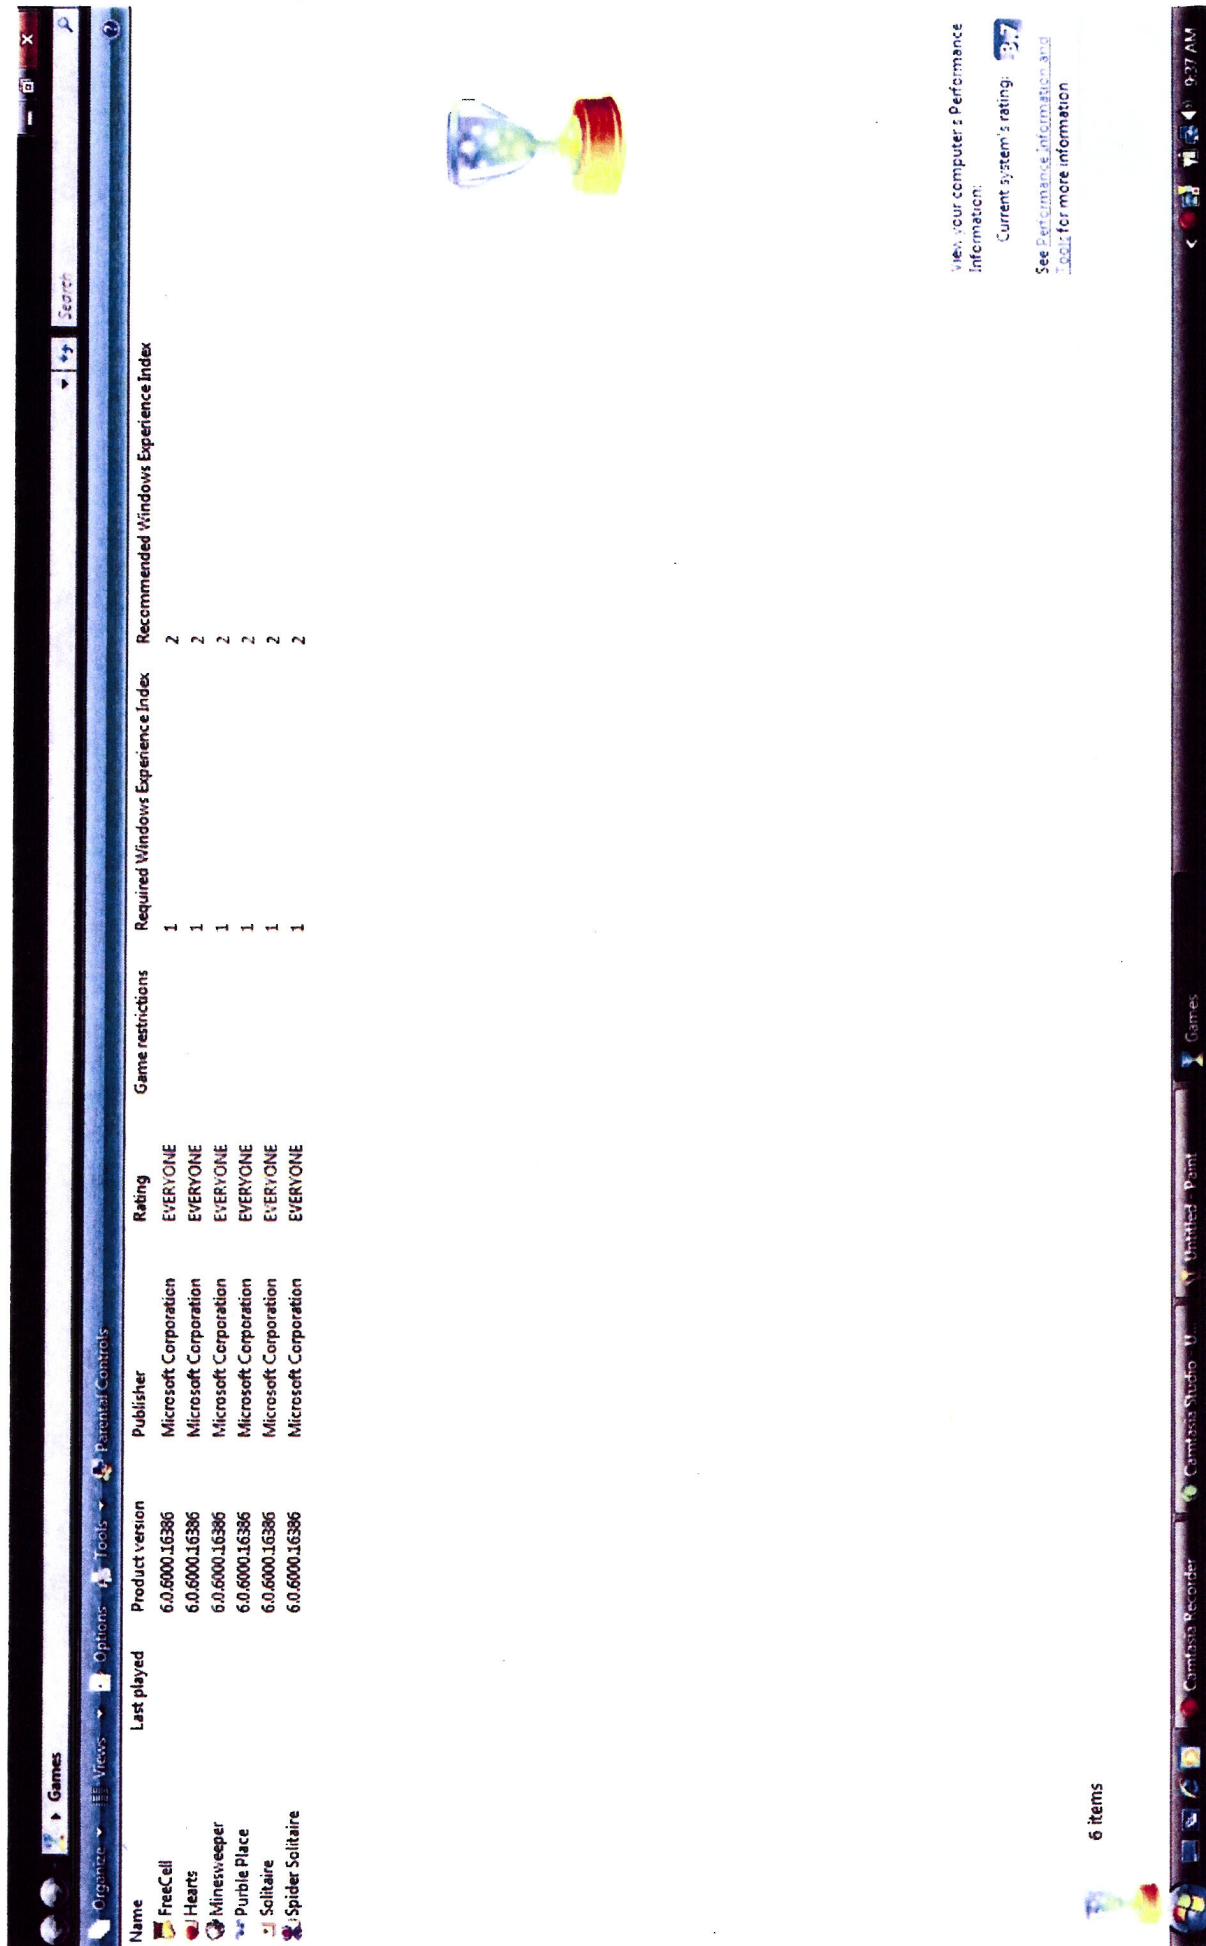

The screenshot displays the Windows Vista Home Basic Music Explorer interface. The top navigation pane shows the path: Public > Public Music > Sample Music. The main area is divided into two sections: 'Name' and 'Artists'. The 'Name' section lists 11 items, and the 'Artists' section lists 11 items. The 'Rating' column is empty. The bottom taskbar shows the Start button, a search bar, and several open applications: Comenius Recorder, Comenius Studio, and Sample Music. The system tray shows the time as 9:26 AM.

Name	Artists	Album	#	Genre	Rating

# WINDOWS VISTA HOME BASIC GAMES EXPLORER

The screenshot shows the Windows Vista Games Explorer window. The window title is "Games". The left pane shows the "Games" folder. The right pane displays a list of games with the following columns: Name, Last played, Product version, Publisher, Rating, Game restrictions, Required Windows Experience Index, and Recommended Windows Experience Index.

Name	Last played	Product version	Publisher	Rating	Game restrictions	Required Windows Experience Index	Recommended Windows Experience Index
FreeCell		6.0.6000.16386	Microsoft Corporation	EVERYONE		1	2
Hearts		6.0.6000.16386	Microsoft Corporation	EVERYONE		1	2
Minesweeper		6.0.6000.16386	Microsoft Corporation	EVERYONE		1	2
Purble Place		6.0.6000.16386	Microsoft Corporation	EVERYONE		1	2
Solitaire		6.0.6000.16386	Microsoft Corporation	EVERYONE		1	2
Spider Solitaire		6.0.6000.16386	Microsoft Corporation	EVERYONE		1	2

At the bottom of the window, there is a taskbar with the Start button, several icons, and a system tray showing the time as 9:27 AM. A notification area on the right side of the taskbar shows "6 items" and a "Games" icon.
